Offer this service to a wide variety of industries, including:

- Schools / Universities
- Law Firms
- CPAs & Financial
- Medical
- Real Estate
- Convention Centers
- Corporate / Small Offices

## SUGGESTED USES

Manuals  
Notepads  
Presentations  
Reports  
Date Logs

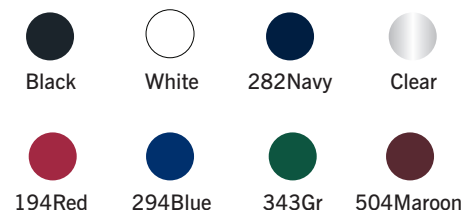

## Spiral Binding Offers:

**A professional look** – With various coil options, you can transform an ordinary catalog, notepad or instruction manual into a professional, polished piece of material.

**Durable** – Plastic coil is a durable, flexible and economical solution to your binding needs, allowing bound documents to turn cover to cover and lay completely flat

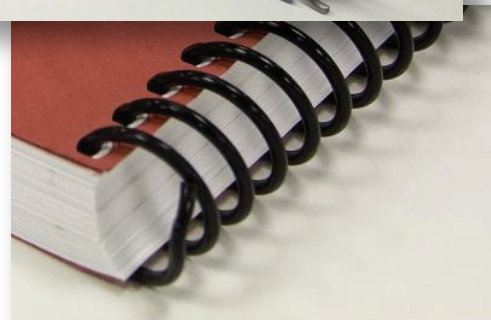

**Ease of Use** – Spiral coils allow for an extended ease of use with the flexibility in movement the coils provide. The 360-degree rotation allows easier access to every page.

### Colors:

### Coil Size:

4" minimum length  
12" maximum length  
Minimum diameter: 8MM  
Maximum diameter: 20MM

Please contact us for additional colors  
(minimums may apply).

## MANUALS

Demonstrate professionalism in your reports, equipment and instruction manuals or various other documents with a custom business manual. For any price range, an assortment of options are available, such as a variety of paper weights and black & white or color prints for a polished, dynamic look. The combination of a color cover and a black & white interior is not only eye-catching but also cost-effective.

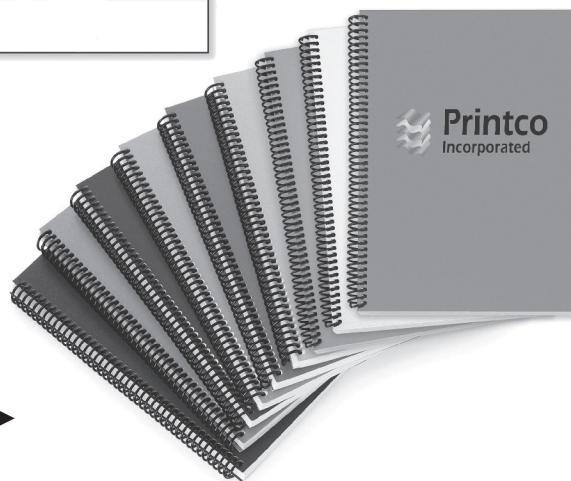

## CALENDARS

The primary reason for having a calendar is to organize our days, weeks, months and years. They keep us on track, keep us on time and help us keep up with the days, months and seasons. We offer a variety of styles from wall to desk calendars and can even incorporate personalized pictures.

## NOTE PADS

Almost everyone needs to write a note from time to time. Whether it's a quick reminder, making a shopping list or taking notes in a meeting, note pads are a part of our daily life. We offer a variety of sizes with colored plastic coiled binding.

**Contact us for custom pricing on manuals, calendars, date logs or other spiral bound projects.**
